Why hello there!

I'm 'Kate Maclean Photography' - a Garden Route based photographer, mom to two GORGEOUS fur babies, cheap champagne lover - and I LOVE what I do!

Now for business!

In this resource, I'll briefly go through the stages of booking your wedding photography with me, frequently asked questions and more!

So, get reading and let's get planning!

# The Process

## THE DATE AVAILABILITY

First thing in booking your wedding photographer is to check availability. Wedding venues, photographers and other vendors are often booked 9-12 months in advance so it's best to make those enquiries early in the wedding planning process.

## THE COFFEE & MEET

After checking your wedding date is available, I recommend having a coffee or a call to discuss your wedding in more detail. We'll go through all the elements you want captured, how many hours of coverage you're looking for – all the nitty gritty details. It's also a fab way to connect and ensure I am the right fit for your wedding day.

## THE SCHEDULE

I am happy to help with the planning process as far as possible! I love sending my bridal couple a personalised recommended timeline for their wedding day. This is greatly determined by the sunset time for your date, as we're wanting that soft, golden light for your couple shoot! #Priorities!

## THE BIG DAY

Simple simple – I arrive, shoot the various aspects of your big day, we create magic and then I vamoose!

## THE WEEK AFTER

You will defs get that sneak peak back as soon as possible! Not only do I want to see the results, but I know you do too! I aim to get a sneak peak to you within a week or so of your wedding. Thereafter, I will WeTransfer you the full gallery of images once they have been edited.

# FAQ's

## **1. DO I GET THE RAW IMAGES?**

Unfortunately no. I go through each and every photo from your wedding and select the very best. Each photo is then individually edited. All images that I as Kate Maclean Photography send out need to adhere to my style, brand and represent a cohesive look and standard.

## **2. WHAT IF MY WEDDING DATE CHANGES? AKA IS MY WEDDING BOOKING FEE REFUNDABLE?**

Once you have confirmed your wedding date and paid the deposit / booking fee, then that date is marked off as yours. This one day is dedicated all to you! Therefore, the booking fee is non-refundable as I turn away other commissions for your date. However, if I manage to fill your cancelled wedding date, I will refund some - or all - of your booking fee.

## **3. SHOULD WE DO AN ENGAGEMENT SHOOT?**

Oh hells yes! Both my 8 & 10 hour package include an engagement shoot and I find it a great way to meet and get those nerves and jitters out the way. It will also help you be more comfortable in front of the camera on your wedding day.

## **4. DO WE RECEIVE A SNEAK PEAK?**

Absolutely! I am just as excited as you are to see a couple of snaps from your day. I aim to get a handful of images to you within a week or so.

## **5. CAN I CUSTOMISE MY INVESTMENTS?**

Yebo! For example, my 8 and 10 hour packages both include an engagement shoot – however, this isn't always possible for out-of-town bridal couples. I am happy to chat to exchange this for a Trash The Dress shoot or a Morning After The Wedding sunrise shoot etc. We can also chat hours, wedding albums and more!

## **6. WHAT ARE YOUR WEDDING RATES?**

I have three wedding packages – of 6, 8 and 10 hour coverage. You can drop me an email and I will send them your way: [info@katemaclean.co.za](mailto:info@katemaclean.co.za)

## **7. DO YOU ONLY PHOTOGRAPH WEDDINGS?**

Wedding photography is my main love – but I also do couple and engagement shoots, family shoots, creative sessions and more!

## **8. ARE WE GUARANTEED TO HAVE YOU SHOOT OUR WEDDING?**

Absolutely! When securing your wedding date, I will be the main photographer on the day. All emails, timeline assistance, shooting – is all run my little 'ol me!  
(Certain wedding packages include a second shooter too)

## **9. DO I GET THE COPYRIGHT TO MY PHOTOS?**

You own the non-commercial rights to your photographs – you can print, post, share as much as you like! The only thing you cannot do is turn a profit from the images. I, as Kate Maclean Photography, own the copyright of the photographs (including commercial rights).

## **10. WILL YOU HELP ME PLAN MY WEDDING?**

Definitely – I would love to help as far as possible! I am happy to send you a list of recommended local vendors as well as a personalised wedding timeline. Please note that I am a sucker for 'Golden Hour' and will aim to have your couple shoot during the hour leading up to sunset. That soft, gorgeous lighting is FAB!
